POLICY:

Greystanes Disability Services' (Greystanes) mission is "*To support people's abilities with quality services to enable them to live an equitable life in the community*". In pursuing its goals, Greystanes serves the interests of people with disabilities and their families through its range of programs and services. In supporting people with disabilities and their families, Directors, employees and volunteers work with each other and the public at large.

This Code of Conduct ("the Code") is designed to allow Greystanes to preserve its tradition of integrity and credibility with the public and within the organisation itself. This Code applies to all Directors and is consistent with a more detailed Code of Conduct for full time, part time and casual employees and volunteers and any third party service provider in face-to face contact with the people Greystanes supports.
